

# WHITE LAKE OPEN 2023

Caddy-Book

18.03.2023

Weißensee Berlin

Willkommen zur ersten Whitelake Open!  
Ein Turnier der Pepper Disc Berlin Community für alle. Als Teil vom Pfeffersport, einem der größten inklusiven Sportvereine in Berlin, soll dieses Turnier so fair und offen sein wie unser Verein.

So entstand bei den Discgolfer\*innen der Sektion die Idee für dieses Event und wurde von einer Gruppe engagierter Mitglieder umgesetzt.

Gleiche Chancen sowie ein möglichst diverses Starterfeld waren das Ziel. Dementsprechend gab es ein Stipendienprogramm und garantierte Startplätze für Frauen und Junioren. Die restlichen Startplätze wurden verlost.

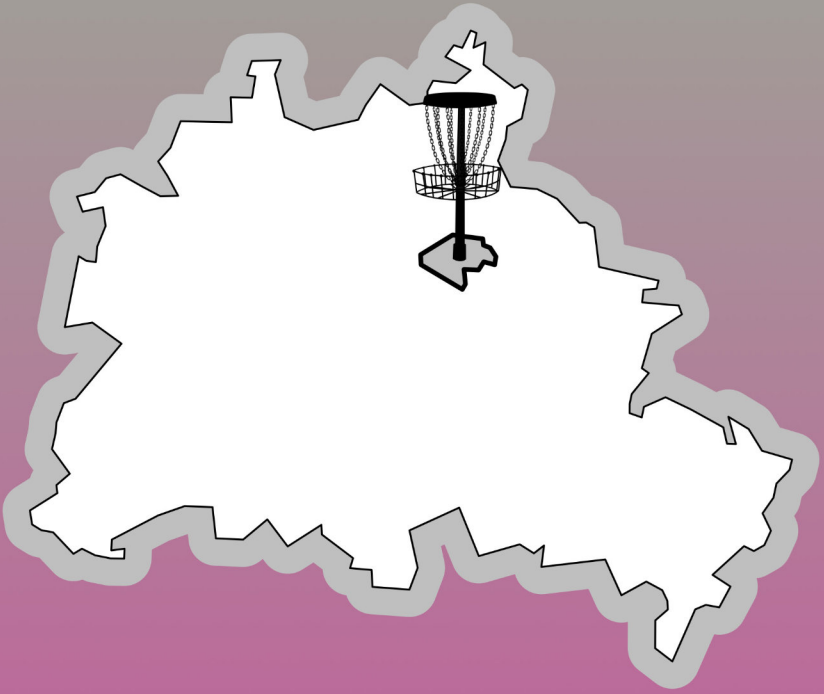

Auch wollten wir unseren Heimatkurs größer denken. Zum ersten Mal werden die Teilnehmer\*innen beim Turnier die Möglichkeit haben, volle 18 Bahnen zu spielen. Vier von diesen haben wir exklusiv für die Whitelake Open entworfen.

Wir wünschen allen Starter\*innen einen großartigen Tag und viel Erfolg.

Euer Turnier-Orga Team

Welcome to the first Whitelake Open! A tournament by the Pepper Disc Berlin community for everyone. As part of Pfeffersport, which is one of the biggest inclusive sport clubs in Berlin, we want this tournament to be as fair and open as our club itself. This was where the idea for this event originated. Then a group of committed members made their idea a reality. The goals were for the same chances for everyone to play, as well as a diverse field of competitors. This is why we implemented a scholarship program and guaranteed spots for women and juniors and why all other spots were raffled. We also had a bigger vision about our home course. For the first time ever participants have the chance to play a full 18 hole layout. Four of those are exclusive for the Whitelake Open. We hope all of you will have a great day and a successful tournament.

Yours sincerely the organizational team
